2		<p>Boat – 27' 1983 Phoenix Serial #PMG326570183, (NC Wildlife Registration Vessel # NC 6074 P), with Twin 200HP Mercury Black Max outboard motors (NO TRAILER) **Min Bid \$500.00 Note: This Boat has been out of the water for around 10 years. When it came out, the left motor had shifting problems, and the right motor had powerhead problems. No idea whether motors are any good at all, and they are believed to be 1986 and 1989 models. The boat has a rigid fiberglass top (supported by a stainless steel frame) that covers much of the cockpit. Two outriggers come with the boat, but one is bent. The bow rail is severely bent, due to an improper mooring incident, but a spare rail comes with the boat. There is a folding dive ladder permanently affixed to the transom. No trailer with this boat and successful bidder will have to make their own arrangements for removal. Can be viewed at museum's Gallants Channel property, 172 West Beaufort Road, Beaufort – inside Gate #3, or call Bob Springle for appointment at (252) 241-5073 weekdays between 9 and 5.</p>
3		<p>Boat - 23' 1984 Sea Ox 2300 with twin 115HP Johnson V4 outboard motors, Serial #XNA30202A484, (NO TRAILER), Note: Boat has been out of the water for around 10 years. It had capsized offshore, and was brought out the same day, but motors were not pickled. As of a few years ago, one could still turn the flywheels by hand, but we make no representation that these outboards will work at all. No trailer with this boat and successful bidder will have to make their own arrangements for removal. Can be viewed at museum's Gallants Channel property, 172 West Beaufort Road, Beaufort – inside Gate #3, or call Bob Springle for appointment at (252) 241-5073 weekdays between 9 and 5.</p>
4		<p>Boat – 17' 1981 Mako17, Serial #MRK132410880, with 90HP Johnson outboard motor (NO TRAILER), Note: This Boat has been out of the water for about 5 years. Motor did not run even then. No trailer with this boat and successful bidder will have to make their own arrangements for removal. Can be viewed at museum's Gallants Channel property, 172 West Beaufort Road, Beaufort – inside Gate #3, or call Bob Springle for appointment at (252) 241-5073 weekdays between 9 and 5.</p>
5		<p>Boat – 16' 1987 McKee (NC registration NC4064P) Hull, Serial #MKC61760C787, and pedestal seat only – (NO TRAILER) No windshield, motor, or steering wheel. Note: This Boat has been out of the water for over 10 years. Hull may be cracked on centerline. No trailer with this boat and successful bidder will have to make their own arrangements for removal. Can be viewed at museum's Gallants Channel property, 172 West Beaufort Road, Beaufort – inside Gate #3, or call Bob Springle for appointment at (252) 241-5073 weekdays between 9 and 5.</p>
6		<p>Boat – 16' 1985 McKee (NC registration NC3702P), Serial #MKC61287A585, with outboard motor believed to be 150HP Johnson or Evinrude (NO TRAILER) Note: This Boat has been out of water for at least five years. No knowledge of whether outboard will run. Half of windshield missing. Gas filler cap missing, so must assume water in fuel tank. No trailer with this boat and successful bidder will have to make their own arrangements for removal. Can be viewed at museum's Gallants Channel property, 172 West Beaufort Road, Beaufort – inside Gate #3, or call Bob Springle for appointment at (252) 241-5073 weekdays between 9 and 5.</p>
